November 30, 2009

Dear Colleagues,

The Utah Weed Control Association will hold its annual conference on February 17 and 18, 2010. The conference will be held in Price, Utah at the Carbon County Event Center located at 310 South Fairgrounds Road. The Holiday Inn Hotel & Suites in Price at 838 Westwood Blvd has agreed to a government block rate of \$70 per night. (435)637-8880

Again in 2010, we will start at 1 p.m. on the 17th and conclude about 4:30 on the afternoon of the 18th. The registration information is available on our web page at www.utahweed.org. The fee for the conference will be \$65.

This year we have the ability to utilize an indoor arena to demonstrate calibration techniques on trucks and ATV's. Our vice president, Travis Osmond, is putting together an informative program which we think you will all enjoy. There will be a good number of pesticide applicator CEU's available.

Recognizing and honoring UWCA members for their meritorious service is an important part of our annual conference. Please respond promptly to the enclosed invitation to nominate deserving individuals and teams for UWCA awards. They need to be returned to the awards committee by January 10, 2009.

I look forward to seeing you in Price for another great conference.

Sincerely,

Bill Gilson
UWCA President
